PROBABLY the greatest mistake the President has made in the conduct of the war in the Philippines is his failure to send Editor WYATT over there to close up the whole bloomin' business.

EVEN the dense and anti-American New York Evening Post has at last found out that the Americans didn't begin the war in the Philippines, and now acknowledges that its first impressions were all wrong.

THERE being such a divergence of opinion as to what shall be done with AGUINALDO, why not associate him with Mr. BRYAN in his anti-imperialism campaign. He'd make a dandy yokemate for the Nebraska wonder.

THE Ashland Independent, up-to-now from the start, will henceforth be up-to-day-after-tomorrow. Heavy increase of business necessitated additional force, and Editor FRIEL wisely associated an experienced and brainy partner in the person of Mr. MILTON F. CONLEY, formerly of The Big Sandy News. THE LEDGER extends the glad hand and wishes the new firm still further success.

The Endeavor Society of the Christian Church will hold a sunrise prayer-meeting Easter morning at 6 o'clock in the chapel of the Church. All Young People's Societies of the city are cordially invited to unite in this service. The public welcomed.

TOBACCO FACTORY.

Committee Appointed Yesterday to Solicit Stock Subscriptions.

A well attended meeting was held yesterday afternoon at the Courthouse in the interest of the proposed tobacco factory in this city.

Mr. Abner Hord presided.

Mr. William D. Cochran stated that a large manufacturing establishment was desirous of locating in the White Burley District, of which Mayville is the center. It was a "going" concern, with machinery, valuable brands and a rapidly-increasing trade. The owners of the plant in addition to securing a more desirable location, wanted also to increase its capacity, and to this end would put its machinery, brands, &c., together with \$25,000 in cash, into a new corporation, the citizens of this locality to take \$50,000 in stock in the enterprise, making a capitalization of \$100,000.

The plant will employ one hundred men and women and a number of boys; and with the tobacco factory would also come a large steamery.

President Duley of the Board of Trade, Hons. Walter Matthews and John M. Frazee, Editor Marsh, Attorney Galbraith and several others spoke in favor of the enterprise.

Finally Messrs. A. R. Glascock, Walter Matthews and William D. Cochran were appointed a Committee to solicit subscriptions of stock, conditioned that the gentlemen submit a written proposition, and that everything is as represented.

This Committee is authorized to appoint sub-committees in the several precincts, and report is to be made to a meeting to be held at the Council Chamber next Saturday afternoon at 1:30 to which time the conference adjourned.

NEW ORDER IN TOWN.

Members of the Copper Link Have
Audience With Wadsworth.

The Order of the Copper Link, the
initiation fee being a quart of rotgut
whisky, held a meeting Saturday night
at its palatial quarters on Wall street
near Front.

The fun and amusement began a lit-
tle late owing to the prominent mem-
bers being detained with other more
pressing business engagements.

Those who have passed through cer-
tainly enter into the full measure of the
spirits which is the standard, for the
rooming and hilarity grew beyond the
spacious quarters and falling upon the
ears of one officer gave him to know
that such fun and so many could not be
checked singly, so getting reinforcements
the cordon of police swooped down
on the members of the Copper
Link Society.

When the introductions had been
made and the formalities exchanged
the Society accepted a very cordial in-
vitation to change their meeting-place
and accept a stronger and more isolated
convention hall.

The few members who were called on
to explain the secrets of the Copper
Links were Maggie Moran and Clithia
Thomas, males and females belong—
William Liggett, Peggy Hasson, Cap
Jenkins and Sam Peterson.

After a patient hearing yesterday
afternoon Judge Wadsworth taxed
Clithia Thomas \$8.00, suspending execu-
tion until the case of Maggie Moran is
disposed of at 2 this afternoon, while
Liggett, Hasson, Jenkins and Peterson
got \$8.00 and Jail each.

VERY MUCH MIXED.

Wu Ting Fang Speaks in a New
York Baptist Church.

New York Letter.

It seemed odd to hear a great Chin-
man address a Christian congregation in
a Christian Church, and it seemed
still odder to hear him quote Confucius
in a building dedicated to the worship
of Jesus. But everything depends on
one's point of view, and from Dr. Mac-
Arthur's standpoint there is nothing
inappropriate in the use of his Church
on a week-day night for a mass meet-
ing to honor the memory of Baron and
Baroness de Hirsch, and to advocate
the destruction of prejudices based on
differences of race and creed.

To carry out the mass meeting idea, a
layman presided, and applause was
permitted. Moreover, there was abso-
lutely nothing offensive in Wu Ting
Fang's address, nothing to wound the
feelings of the most sensitive Christian,
and he quoted Confucius only as a
Clergyman might the sayings of any
philosopher. Indeed, the Minister's
address was another illustration of the
remarkable versatility and ability of
this extraordinary man.

The meeting was most unique, being
held in a Christian Church, in honor of
two Jewish philanthropists, a follower
of Confucius made the chief address, a
Jewish Rabbi made the prayer, a Baptist
read from the Old Testament and
speeches were made by representatives
of nearly every creed. Of importance
was Wu Ting Fang's announcement
that China would meet the world in no
spirit of race or creed intolerance, and
of interest was the statement that the
Park Board has provided a site for the
Baron de Hirsch Monument in Central
Park, near the Museum.

The readers of this paper will be pleased to learn
that there is at least one dreaded disease that
science has been able to cure in all its stages and
that is catarrh. Hall's Catarrh Cure is the only
positive cure now known to the medical fraternity.
Catarrh being a constitutional disease, requires a
constitutional treatment. Hall's Catarrh Cure is taken
internally, acting directly upon the blood and mucous surfaces of the system,
thereby destroying the foundation of the disease,
and giving the patient strength by building up the
constitution and assisting nature in doing its work.
The proprietors have so much faith in its curative
powers that they offer One Hundred Dollars for
any case that it fails to cure. Send for list of tes-
timonials. Address,

prosperous farmers of the county, who
really has the well-being of his fellow-
citizens in mind, and they will do the
right thing to elect him to look after
their affairs.

Yesterday's Commercial Tribune
gives Mayville this good send-off—
"While the packets entering Pitts-
burgh are well loaded with large con-
signments of eggs, the case is quite
different in this port. A prominent
river official of this city, in speaking of
the matter, said that within his knowl-
edge during the past five years but very
few, if any, cases of eggs had been
brought into this port by up-river pack-
ets 75 miles above this city. The de-
mand for eggs is steadier in Pittsburgh
than in any city West of the Alleghany
Mountains, and, therefore, the prices are
higher. When 11 cents is asked for
eggs in this city, at Pittsburgh it is, as
a rule, 13 to 13½ cents. The eggs that
are brought into this city come from
the small towns, such as Augusta and
down-river towns. Not very long ago
a Pittsburgh boat shipped at Mayville
2,000 cases of eggs."

COLORADO, UTAH, MONTANA, OREGON AND
WASHINGTON.

"C. and O." and "Big Four" make
special low rates to the West. For the
benefit of parties wishing to go West
the Big Four has made the following
low rates to points in the far West.

On April 2, 9, 16, 23 and 30, 1901, to
Colorado and Montana, from Mayville,
Ky., to Colorado Springs, Pueblo, Den-
ver, Ogden, Salt Lake City, Billings,
Helena, Butte, Anaconda and interme-
diate points in Montana. One way \$34.

On April 2, 9, 16, 23 and 30, 1901, to
Oregon and Washington, from May-
ville, Ky., to Spokane Falls, Seattle,
Tacoma, Portland, Wallula Junction
Umatilla, Pendleton, and intermediate
points. One way \$39. To points in
Arizona and California from Mayville
\$38.25.

This will be a grand opportunity for
any one contemplating a trip West, for
the rates are lower than was ever known
before. Remember the dates—April 2,
9, 16, 23 and 30, 1901. Don't fail to get
ready and take advantage of this
cheap trip. For further information

MORE EVIDENCE.

It Is Coming In Rapidly In Mayville.

Evidence on the following subject
will prove of interest to every May-
ville reader. So many people go
through the same experience daily.
This statement should be proof posi-
tive to every wavering doubter. Read
it carefully:

Mrs. W. R. Woodward residing at
West End near Pogue's Distillery says:

"Pains in the back and other evidences
of a disturbed condition of the kidneys
were quickly and thoroughly cured by
the use of Doan's Kidney Pills which
I got at J. Jas. Wood & Son's drug-
store corner of West Second and Mar-
ket streets. There is no reason why
ladies should suffer from backache
and kindred troubles when such a re-
liable and effective preparation can be
had."

EDUCATIONAL INSTITUTIONS.

A Movement to Unite Center College
and the Central University
Into One School.

Louisville, Ky., April 2.—At a con-
ference held here Monday night tenta-
tive plans were formed for uniting
Center college at Danville, Ky., and
Central university at Richmond, Ky.,
into one university at Danville and
for uniting the Presbyterian Theo-
logical seminary at Louisville and the
Presbyterian Theological seminary at
Danville into one seminary at Lou-
isville. The conference was at-
tended by many prominent men, in-
cluding Rev. Dr. L. H. Blanton, chan-
cellor of Central university, and Rev.
B. C. Roberts, president of Center col-
lege. The plans formed Monday
night, which include establishing a
collegiate institute at Richmond, will
now go for action to the two Presby-
terian synods controlling the institu-
tions concerned and the boards of
trustees of the institutions.

Central university was formed by
the men who broke away from the
directors of Central college because
of the position the latter took during
the civil war. Center college is con-
trolled by the Northern Presbyterian
church of Kentucky, and Central uni-
versity by the southern. The endow-
ment and income of both are consid-
erable. Together the colleges would
have an endowment far larger than
that of any educational institution in
the state and surpassed by only one
or two in the entire south.

A SHOOTING AT FRANKFORT.

Hon. James A. Violet Slightly
Wounded Wingate Thomson
—The Former Arrested.

Frankfort, Ky., April 2.—Hon. Jas.
A. Violet and Wingate Thomson, po-
liceman on the state capitol grounds,
who have been at outs for some time,
met Monday evening and after a few
words were passed Violet shot at
Thomson, who stood only a few feet
away. Thomson saved his life by
throwing his hand up, diverting the
course of the bullet, and escaped with
only powder burns about the face.
Violet was placed under arrest. He
is an ex-member of the legislature
and was one of the leaders of the
sound money democrats in the legis-
lature, who blocked Senator Black-
burn from re-election in the riotous
session in 1896-97, which finally re-
sulted in the election of Senator De-
boe. The fight is the outgrowth of
feeling injected into the taking of
depositions in a divorce case in which
Magistrate George E. Thomson, brother
of one of the principals, is defend-
ant, and Violet is the attorney for
Mrs. Thomson.

POLICE CORPORAL KILLED.

Patrolman George Hanlon Arrested
on the Charge of Murder—He
Denies the Accusation.

Louisville, Ky., April 2.—Police
Corp. Fred J. Richterkeissig was shot
Monday night at 7:40 o'clock at
Broadway and Sixth street and two
hours later Patrolman George Han-
lon was arrested on the charge of
murdering Richterkeissig. The police
say they have charged Hanlon with
the murder because he had been re-
ported a number of times for fail-
ing to make his post; several times Corp.
Richterkeissig reported Hanlon for
this offense. Monday night Hanlon
should have reported to Corp. Richter-
keissig at Broadway and Sixth street
at 7:30 p. m., but it is said was not a
his post. At 7:40 p. m. Richterkeissig
was killed. The police headquarters
never received Hanlon's 7:30 p. m.
call. Hanlon denies the charge
against him. He is in jail.

DARING BURGLARY.

General Store of Calvert & Calvert,
at Ashbrook, Robbed of
Over \$10,000.

Lawrenceburg, Ky., April 2.—A dar-
ing burglary took place at Ashbrook
a small village near here. The large
general store of Calvert & Calvert at
that place was robbed of \$300 in cash
and \$10,000 in notes and bonds. The
robbers escaped.

Bloodhounds from Nicholasville
came Monday morning and were put
on the trail. After following it for
three or four miles the dogs lost the
trail and were unable to find it again.
The burglars are still at large, and
no trace of them can be found. Near
the scene of the robbery a number of
notes and United States government
bonds were found, which the robbers
in their haste had dropped. A hun-
dred-dollar reward has been offered
for their capture.

Allege Bad Treatment.

Barboursville, Ky., April 2.—Twenty-
members of Capt. Hawn's military
company have filed suits for \$10,000
each against the L. & N. for alleged
bad treatment on the trip to and
from the inauguration of Gov. Beck-
ham.

Tobacco Manufacturers Assign.

Owensboro, Ky., April 2.—John Gil-
mour, Hugh Gilmour, John Gilmour &
Co., and Gilmour Bros., tobacco man-
ufacturers, this city, assigned Monday.
Liabilities and assets not known.
Estimated at \$100,000.

Modification Asked.

Frankfort, Ky., April 2.—Attorneys
for Caleb Powers will ask the court
of appeals to modify its opinion giv-
ing him a new trial and request that
the mandate be withheld till the peti-
tion for modification can be prepared.

YANG TSE VALLEY.

German Battleship Weissenberg
Has Started From Shanghai
Toward the North.

SHE WILL MAKE A DEMONSTRATION.

The Purpose is to Impress Chinese and
Allies That Germany Will Pre-
serve Her Interests There.

The Chinese Plenipotentiaries In-
structed Not to Sign the Man-
churian Convention Even
in a Modified Form.

Berlin, April 2.—The Berliner Tag-
blatt publishes the following dis-
patch from Shanghai:

"The German first class battleship
Weissenberg has started from Shang-
hai toward Nankin and to the north,
her purpose being to impress the Chi-
nese and allies that Germany means
to preserve and heighten her pres-
tige and interests in the Yang Tse
valley.

"The German gun boat Tiger has
relieved the Itis at Hankau, where
the Itis stayed five months because
of the shallowness of the Yangtze at
that point."

Peking, Thursday, March 28.—About
7,000 Germans, whose time of service
in the army will shortly expire, are
to be returned home as soon as trans-
ports are available. It is not expect-
ed that their places will be filled. The
railroad expects to be taxed to the
limit during the month of April.

Russia Explains.

St. Petersburg, April 2.—The Rus-
sian government publicists do not
cease to emphasize the radical dif-
ference between the Russian position
towards China and that of the other
powers. The Novoe Vremya develop-
ing this, says:

"For others China is merely a mar-
ket which they can leave to seek a
better one if it become unprofitable.
Russia can not leave China, because
of their immense common frontier."

While recognizing the truth in this
connection the foreign merchants are
probably less complacent than the
Novoe Vremya in contemplating the
possibility of their seeking a substitute
for the Chinese market.

London, April 2.—"The Chinese em-
peror, I am officially informed, has
instructed the Chinese plenipotenti-
aries," says the Peking correspondent
of the Daily Mail, "not to sign the
Manchurian convention even in a mod-
ified form."

TRADE WITH CHINA.

There Has Been a Great Increase
With America During the
Past Five Years.

Peking, April 2.—Sir Robert Hart,
inspector general of Chinese customs,
has sent to the legations customs
comparisons for the past five years.
These show a great increase in Ameri-
can trade, particularly in flannels,
sheetings and jeans and a correspond-
ing decrease in British trade. They
also show a great falling off in the
American kerosene trade. Russia has
a greater part of the business in oil
and the merchants fear Russian com-
petition, especially in cotton goods
and oil, while owing to the "closed
door" policy Manchuria will be lost
entirely to international trade.

MINERS STRIKE.

Five Hundred Went Out at Blossburg
Because Operators Refused to
Pay for Yardage Work.

Birmingham, Ala., April 2.—Five
hundred miners employed by J. C.
Batterson, a sub-contractor for the
Tennessee Coal, Iron and Railroad Co.,
at Blossburg, struck Monday because
the operators refused to pay for
yardage work in the entries to the
mines.

The strike has the endorsement of
the executive board of the United
Miners of America.

HEAVY LOSS.

The B. & O. S. W. Freight House and
50 Cars of Grain Burned at East
St. Louis, Ill.

St. Louis, April 2.—Fire destroyed
the Baltimore & Ohio Southwestern
freight house and platforms and 50-
loaded cars of grain in East St. Louis,
Ill., Monday night. The fire was caus-
ed by sparks from a switch engine.
The damage is roughly estimated at
\$150,000. The loss is covered by in-
surance, most of which is held in Lou-
isville.

Voluntary Advance in Wages.

Lancaster, Pa., April 2.—The Sus-
quehanna Iron and Steel Co. posted
notices in its mills at Columbia that
an advance of 25 cents a ton will be
made to puddlers on April 15 and a
proportionate increase to the other
employees. The increase is volun-
tary.

Ex-Representative Bradley Dead.

New York, April 2.—Former Repre-
sentative Thomas J. Bradley died
Monday at his home in this city. Mr.
Bradley was 35 years old. He was
twice elected representative from the
Ninth congressional district, his last
term ending on March 4.

Filipinos Surrender.

Manila, April 2.—Recent surrenders
include Gen. Gonzales, 11 officers and
44 men, with 45 rifles, at Malabon;
Col. Herrera, three officers and 25
men, with rifles, at Laguna, and Co-
labo, Tecson and Sibul at Bulacan.
